

City Slickers

At British Airways, we know time is precious. That's why we bring your customers the only transatlantic return flight from the heart of London's financial district to New York. It's the most convenient, productive way to travel between the two cities.

15-minute journey time from Canary Wharf to London City Airport

- The average car or DLR (Docklands Light Railway) trip from Canary Wharf to London City Airport is just 15 minutes and from the Square Mile, it takes just 25 minutes

15-minute Check-in at London City Airport

- With hand luggage, Check-in at London City Airport closes just 15 minutes before your flight departs
- If you have check-in baggage, Check-in closes just 20 minutes before your flight departure time and, from Check-in through Security to your gate, it's just a short walk

With 32 seats, your customer benefits from an exclusive service

- This is a business only service with all those personalised touches your customer expects of Club World

Clear immigration at Shannon, Ireland, so you can head straight into town at JFK

- To save time on arrival in New York, your customer will leave the plane to clear US Immigration and Customs at Shannon, Ireland

Stay fully connected throughout the flight

The OnAir passenger communications system allows your customer to connect a mobile phone and laptop onboard the Club World London City flight. That means full access to emails, the internet and text messages.

Note: your customer won't be able to use voice functionality. We've turned it off for launch, but this may change depending on demand.

Enjoy a full sleeper service on the return journey

On the way back, your customer benefits from :

- A delicious dinner in the lounge at JFK prior to the flight
- A complimentary Elemis Spa treatment in the lounge to help with relaxation
- A restful night's sleep on a fully flat bed
- Wake up gently with breakfast onboard or pick a takeaway option

On arrival, your customer can easily transfer to European destinations :

- From London City Airport, your customer can easily transfer to some of Europe's top business destinations, including Amsterdam, Paris, Geneva and Frankfurt. Or you can travel within the UK to Glasgow and Edinburgh. For the complete list, go to [ba.com](https://www.britishairways.com/clubworldlondoncity)
- As a Club World passenger, your customer benefits from a dedicated entrance and Fast Track channel through Passport Control. To transfer onwards, enter the main concourse again and check in for your connecting flight
- Bags will automatically be transferred onto your next flight.

Your customer can also choose to fly into another London Airport

- On the return trip, your customer can also choose to fly Club World into London Heathrow or London Gatwick if it's more convenient.
